

Spanish [Out There!]® in Barcelona

Spanish [Out There!]® will teach you Spanish in a new and natural way.

After just one three-hour class you will be able to say, "I can do that now" and have the confidence to use your new language skill again and again. That is why we teach you the grammar and vocabulary and then we take you outside to read, write and, most importantly, speak and listen [Out There!]® in the real world.

- Every class has a clear and achievable linguistic aim
- You're taught a small chunk of the language and then use it straight away
- Communicating with real people in the real world will help you get the right accent and pronunciation every time
- And by making yourself understood you will get a real buzz of success
- It's great fun and it works
